

CAYETANO HERNÁNDEZ SÁNCHEZ

Graduate in Physics

KEY QUALIFICATIONS

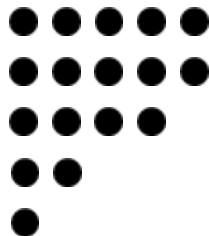

Having finished a voluntary internship at Uppsala's University Astronomy & Space Physics division and High Energy physics one. I have a great interest in astronomy and astroparticle physics, as well as experience in carrying out a research project.

SOFTWARE

- FORTRAN
- PYTHON
- MESA, TOPCAT, STARS
- BASH/GIT BASH
- SQL
- R-STUDIO

LANGUAGES

Spanish (Native)
English (C1)
Catalan (B2)
German (A2)
Swedish (A1)

EDUCATION

Bachelor's in Physics
University of Murcia
2019 – 2024

C1 Cambridge Advanced
Cambridge Assessment English
2021

CONTACT

📍 Villena (Alicante) - Spain

EXPERIENCE

Uppsala University (Sep 2024 – Dec 2024)

Research assistant (High energy physics/Astronomy division) |
Uppsala, Sweden | [Astronomy and Space Physics - Uppsala University](#)

- Helping in a research project that merges stellar evolution with neutrino physics

AI Talentum (Jan 2023 – Apr 2024)

Data analyst | Murcia, Spain | [Artificial Intelligence Talentum](#)

- Market prediction using machine learning
- Software development
